Criminal Hearings cannot be scheduled by phone. You must come in person and sign for the court date. We do not reschedule hearings by phone, and do not normally answer the phone on Thursdays.

If you are in warrant status and are represented by an attorney or public defender please contact the attorney to schedule a bench warrant recall.

If you are not represented please come in person to schedule a bench warrant recall; as we cannot make you one by phone, your presence is mandatory.

The deadline to set a hearing for the same week is Tuesday before 12:00. We only have court on Thursday's and do not schedule any hearings the last Thursday of the month, as they are reserved for Jury Trials.
