NOTICE

A separate permit is required for electrical through State of Washington Department of Labor & Industries. Separate applications are required for mechanical, plumbing, public works and fire safety. This application for a permit shall be deemed abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued. The Building Official/designee is authorized to grant an extension, the extension shall be requested in writing and justifiable cause demonstrated. Fees are established by City Council resolution and are subject to change.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other federal, state, or local law regulating construction or the performances of construction.
