

Variance

Supplemental Information Form

** This form must accompany a General Land Use Application. **

1. Please provide a detailed description of your development proposal:

2. What special circumstances exist, directly related to the property, which require a need for a variance?

3. What unreasonable burden exists which requires the need for a variance?

4. Will the granting of a variance allow for a more environmentally sensitive , energy conserving, or superior design?

5. Is the lot or structure requiring the variance a non-conforming lot or structure?

6. Will the variance create a non-conforming lot or structure?

7. Is the subject property deprived of privileges commonly enjoyed by others in the vicinity and in a similar zone classification?

I, the undersigned, state that the foregoing statements and answers are true and correct and to the best of my knowledge and belief.
